Water Aerobics - A shallow water workout for swimmers and non-swimmers. Great for endurance, strength and flexibility

Water Arthritis - A basic water wellness class that focuses on safe and effective exercise for those with arthritis.

Water Arthritis / Wellness Combo - Active gentle activities in warm water that will help you gain strength, flexibility and endurance.

Water Walking (S Pool) - A shallow water workout with minimal stress on the joints. Great for cardio and endurance.

Water Yoga - A full-body exercise class designed to help you stretch. Yoga poses, balance practice.
